

A timeline is a visual way of a period of time which show important event in our lives.

In the UK an old person is considered to be anyone 65 years and over.

.You are considered an adult from the age of 18 up wards.

Chronological means the order in which things happen

Year 1 My life Story

Your childhood is between the ages of 2-12 years old.

Before and after an event or time in your life is an important things to remember.

We start off as babies and grow up in to adults.

New things look different from old things. Old things have been used more and may look tatty.
