

# How to access espresso (and your other learning platforms)

1) Log into the VLE

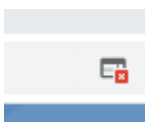

2) Select “content” from the Quick Links menu

3) Select your platform.

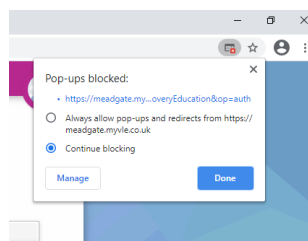

**Note:** If you click on espresso and it continually shows that it is “verifying” like this:

Then you may need to look at the website address bar at the top of the page. You may be able to see this symbol:

If you click on it, this “Pop-ups blocked” notice will appear.

To access espresso, pop-ups should be allowed from this site. If your adults are happy for you to, then select this option.

Click on Espresso again and you should find that you can access the site.
