

Build Your Legend!

Thursday 29th April 2021

Calling all KS2 families!

Now you can all be legends of online safety with the Google Build Your Legend game!

Scan the tube to begin and enjoy the interactive games and quizzes designed to encourage you to become involved in your child's digital education. This is a great opportunity for learning together and getting used to sharing conversations around online safety, while having fun.

Creating an environment where your child is happy to talk to you about anything that worries them online is so important in helping to keep them safe. This is a great way to start those conversations and create an open environment, where chats about the Internet become a regular occurrence.

Look out for your tube coming home this week. If you build your legend we would love to see some pictures and find out anything you have learnt together along the way.

Good luck Meadgate Legends!

Please note the packs do contain some small pieces and are not suitable for children under the age of seven. A mobile phone, tablet or computer is required for the Build Your Own Legend game.
