

### **"Lights, Camel, Action!" – Costume (Reception & Year 1)**

If you wish to buy your child a costume that is up to you or if you would prefer to create it using clothing your child already owns that is absolutely fine too. T-shirts with patterns/pictures on can be turned inside out. All children will wear their black plimsolls. See below for the details of your child's costume. For further inspiration, the internet has some excellent examples.

#### **Reception**

Stars – a star outfit with some disco-style accessories. If you do not have a star costume, the children may wear yellow/silver/gold dress/top/trousers.

#### **Year 1**

Camels – Camel costumes or brown/beige tops and trousers with tails and/or humps.

We appreciate that some of these are somewhat strange requests and if you don't already have them at home or are struggling to locate things then please do not worry, just let us know ASAP. We can then look elsewhere should we need to. Please note that all items will be returned to you after our last performance.

Please could you send your child's costume into school by **Friday 6<sup>th</sup> December** in a **named plastic bag**.

Many thanks for your support.
