Executive Headteacher: Mr. J. J. Figg

Friday 20th March 2020

Dear Parents/Carers of Reception,

I am writing to tell you about two of the online learning platforms that we use at Meadgate Primary School. Usually we give children access to these platforms towards the end of the year in Reception, or sometimes not until Year 1. However, due to the forthcoming school closure I thought it would be beneficial for the children to have access from Monday 23rd March so that they have more learning opportunities whilst at home.

During the school closure I will be uploading learning activities onto our class page of the school website which can be found at www.meadgateprimary.com. Once on the website, go to 'Children' and then 'Year R'. Some of the activities I will be signposting you towards will only be available through the online learning platforms mentioned above. Children in Reception will have access to the following:

- Active Learn - <https://www.activelearnprimary.co.uk/login?c=0>
- Purple Mash - <https://www.purplemash.com/sch/meadgate>

Please follow the links above or alternatively, you can find direct links from our class page.

If you are receiving this letter as a paper copy, your child's login details are attached. If you are receiving this via email please check your Tapestry account as I have sent their login details to you there. Please be aware that older children may also have access to other online platforms. Please do not worry that you have not received details of these for your YR child. This is all new for them (and you!) and we do not wish to overwhelm anyone.

If you have any questions please feel free to send me a message via Tapestry.

Many thanks,

Miss M. Laurence.
