Dear Parents/Carers,

## Safeguarding Awareness Presentation for Parents and Carers

We would like to invite you to an **essential** Online Safety Presentation on **Tuesday 28th January 2020 from 1.30 p.m. – 3.00 p.m.** at Meadgate Primary School.

The session will be delivered by a representative from The Child Exploitation and Online Protection Centre (CEOP).

We believe this to be an area of high importance for our parents/carers as the growing use of technology, including use of online communication, presents a range of issues of which we all need to be aware.

The aim of the session is to raise awareness of some of the potential issues and to help you support your children in the safe and responsible use of technology. It is highly important you attend if at all possible, even if you have attended previously.

To ensure a place please complete the returns slip and hand it in to the school office **by Friday 24<sup>th</sup> January 2020.**

**Please note: Due to the content this parent awareness session is not suitable for children.**

Yours sincerely,

Ms K. Meager  
Head of School
