Dear Grown-ups,

This term, Year One's topic is 'Once Upon A Time' and the children's learning will be mostly themed around fairy tales. Fairy tales are such special stories as anything can happen and children learn to think beyond expected boundaries. Learning about faraway lands and different ways to solve problems can help children develop creative ways of solving their own problems.

Year One already love listening to stories and we hope to expose them to a large range of different fairy tales this term by getting you grown-ups involved too!

Each Monday afternoon of this term, one child's parent/grandparent will be welcome to spend the last 10-15 minutes at the end of the day, sharing a fairy tale with the whole class.

If this is something you would be interested in doing please sign up on the poster outside the Year One classroom leaving your name and the name of the fairy tale you would like to bring in and share. There are only limited spaces so please sign up quickly. If the spaces fill and you are still interested, come and see us and we will try to arrange another opportunity for you to come in and read with the class.

Many thanks for your continued support,

J Francis
