

Come Dine With Us!

Parents and carers are once again invited into school to share a hot, nutritious meal with their child. Classes will take turns on a month by month basis. Due to the rising number of children enjoying school meals, we have ten spots available, which can be booked on a first come, first served basis. We ask that only one adult apply per child. We hope that this will further add to the community feel of our school and provide extra opportunities for parents and carers to have contact with us.

If you would like to join your child for lunch, please complete the form and hand it to the school office. You will be notified if you have been successful with your reservation. If the response is high, we will keep the names of parents that we have not been able to accommodate, and will issue invitations later in the year.

Parents and carers should arrive at 11.55, to sign in and receive a visitor sticker. Your child will collect you from the foyer and escort you into lunch. We ask that visitors remain in the dining hall and once you, and your child, have finished lunch, parents leave via the main reception and children go out to play in the normal way.

Make sure you check the newsletter, following your lunch date, as Mrs Hill's meal recipe will be included for you to try with your family at home.
