Subject	Activity	What you will need
SNOW!	<p><b>Important message! Please read this first!</b></p> <p>If you have enough snow, PLEASE go and explore it! Make snow angels, build a snow animal, run around catching snowflakes on your tongue – do whatever makes you happy in snow! You kids have been stuck inside for a long time – please use some of today to reconnect with your families and have fun if you have enough snow to do so.</p> <p>Home learning can be done AT ANY TIME today – if it is more convenient for your family to get out in the snow first thing then do home learning after lunch.</p> <p>I have given you some snow-related activities to do this afternoon – if you can't get outside, don't worry. There are some you can do indoors too.</p>	
PE	Joe Wicks 20 minute workout – you could use this to warm up after being outside in the cold!	YouTube
Maths	<p>1. Log on to TTRockStars and warm up your maths brain! We are going back to Corbett maths this week to practise our maths skills.</p> <p>2. Log on to: <a href="#">5-a-day – Corbettmaths Primary</a> and look for today's date.</p> <ul style="list-style-type: none"> <li><b>First choose your level:</b> Bronze – Working towards Year 6 standard Silver – Beginning of Year 6 Standard Gold – End of Year 6 standard Platinum – Above Year 6 standard (a good challenge if you can manage Gold)</li> </ul> <p>If a level feels too easy – go to the next one; if it is too which may happen as I am not there to support you – please don't worry ☺. Simply click on the sheet that comes before and try that.</p> <ul style="list-style-type: none"> <li><b>Then have a go:</b> You can print the sheet if you have a printer or copy out the questions is you can just read from a screen.</li> </ul> <p><b>Finally, mark your work and correct any errors:</b></p> <p>3. <a href="#">5-a-day January Answers – Corbettmaths Primary</a> click here to mark your work. Look for the correct date and level.</p>	<p>Sign in on the vle and go to CONTENT. From there you can click on...</p>  <p>Click on <a href="#">5-a-day – Corbettmaths Primary</a></p> 
Break	Well done! Have a drink and a snack and do something you'd like to do for 15 minutes to relax.	
English	<p>Thank you for watching all the English videos I put on last week. We will start using skills from last week to plan a new story tomorrow (Tuesday). But for now I couldn't resist a quick vocabulary task for today. It is below these lessons for today.</p> <p>Use Wordsmyth <a href="#">Free On-Line English Dictionary</a>   <a href="#">Thesaurus</a>   <a href="#">Children's, Intermediate Dictionary</a>   <a href="#">Wordsmyth</a> to look up any words which are unfamiliar.</p> <p>You do not need a printer – just write these as headings:</p> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;"> <p>cold</p>  </div> <div style="text-align: center;"> <p>windy</p>  </div> <div style="text-align: center;"> <p>rainy</p>  </div> </div> <p>And then add the synonyms under the correct heading.</p>	 English - Vocabulary task.pdf

<b>Lunch</b>	Fab work Year 6! See if you can help make lunch. If you make something really yummy at any time or do some baking after your home learning, feel free to message me and share a photo!	
<b>Zoom</b>	<b>1PM</b> <b>I can't wait to hear what you have been doing in the snow!</b>	
<b>SNOW!</b> 	<p>I have put a maths activity up for you to make symmetrical snowflakes...</p> <p>Or</p> <p>You could try making a winter bird feeder as a DT project...</p> <p>Or</p> <p>You could carry out a snow melting experiment in science...</p> <p>Or</p> <p>You could see how many activities you can tick off on the snow bingo board!</p> <p>It all depends how much snow you have and whether you can get out in it. But lastly and most importantly, <b>have fun and make memories</b> – who knows when it will snow again?!</p>	
<p>Please email me if you have any worries or questions. I hope you have had a lovely day</p> <p>You are doing great! 😊</p> <p>Ms Pateman</p>
