

Meadgate Primary School Progression of Skills Maths

Statistics	
Present and interpret (Year 1)	
Present and interpret (Year 2)	Can they interpret and construct simple pictograms, tally charts, block diagrams and simple tables?
Present and interpret (Year 3)	Can they interpret and present data using bar charts, pictograms and tables?
Present and interpret (Year 4)	Can they interpret and present discrete and continuous data using appropriate graphical methods, including bar charts and time graphs?
Present and interpret (Year 5)	Can they complete, read and interpret information in tables, including timetables?
Present and interpret (Year 6)	Can they interpret and construct pie charts and line graphs and use these to solve problems?

Meadgate Primary School Progression of Skills Maths

Geometry	
Solve Problems (Year 1)	
Solve Problems (Year 2)	Can they ask and answer simple questions by counting the number of objects in each category and sorting the categories by quantity? Can they ask and answer questions about totalling and comparing categorical data?
Solve Problems (Year 3)	Can they ask and answer two-step questions (for example How many more? and How many fewer?) using information presented in scaled bar charts, pictograms and tables?
Solve Problems (Year 4)	Can they solve comparison, sum and difference problems using information presented in bar charts, pictograms, tables and other graphs?
Solve Problems (Year 5)	Can they solve comparison, sum and difference problems using information presented in a line graph?
Solve Problems (Year 6)	Can they calculate and interpret the mean as an average?
