

Into The Brick House Song

(Sing to the tune of 'Baa, Baa, Black Sheep'.)

Poor 1st piggy, the wolf blew down
your home,

Knock knock, knock knock, 1st
piggy is alone.

Puff on the straw house, puff on
the sticks,

Puffs blew down their homes, but
you can't puff bricks!

“Thank you,” to their brother.

“Thank you,” said the pigs.

“Thank you,” both pigs said,
To the pig who built with bricks.
