

Year 3 Homework Tasks

Below are your homework tasks for the Autumn Term. You can complete them in any order you wish. Please return your book to school for marking after you have completed each task, we will return your book as soon as we possibly can. Don't forget to look at the ongoing homework task list too!

Mrs Ash and Ms Devenish

<p>In Geography, part of our topic looks at weather. Can you make a table to record the weather in your local area? You could do this across a week or longer. Have a go at using your own weather symbol to show what the weather was like. For an extra challenge, can you write some sentences to explain how the weather in England is different to another part of the world?</p>	<p>As part of our English learning, we will be looking at instruction writing. Can you write a set of instructions for your favourite recipe? You might even like to include some drawings or photos of each stage.</p>	<p>How do you like to celebrate in your home? We would love to hear about all the wonderful things you, your family and friends like to do. Draw a poster to share your celebrations.</p>
<p>Rangoli patterns are bright and colourful traditional designs from India, connected with Diwali. Can you look up some designs and create your own Rangoli patterns? You choose how you would like to colour, pens, pencils, paint are all fine!</p>	<p><i>Year 3 Homework Autumn Term Celebrations</i></p>	<p>Place value knowledge is essential to our Maths work this term. Take a look at the place value colouring challenge you have been given. Correctly colour the squares to reveal a picture!</p>
<p>Can you identify objects in your home which you think are magnetic? Make a list of your ideas or draw a picture of each object and add a label.</p>	<p>Research kite festivals. For example: Which countries use kites to celebrate? Where is the biggest kite festival in the world? How are kites used to celebrate?</p>	<p>Try to be active each weekend, for example you could go for a walk, you could use the play/climbing equipment at a park, you might play Football for a club or enjoy dancing to music at home. Note in your Homework book (using one page of your book) all of the exercise you do across the Autumn Term.</p>

Ongoing Homework Tasks

These are the things we would like for you to do as frequently as you possibly can:

Reading: It would be fantastic if you can read every day. Just five or ten minutes each day would be great! Please remember to add a quick note in your Reading Log.

TTRockstars: Practise your times tables as frequently as you can. You will find your login in details in your Reading Log.
