Please take some photos or videos of what you have been up to at home and upload them to Tapestry so that I can see how you are getting on with your learning. It would be really useful for me to know **how** you got on with the activity: what did you need help with and what could you do on your own?

If you have any questions regarding the work please do not hesitate to contact me via Tapestry.

Please remember to join us for our **Zoom today at 1:45**.

Have a great day!
Miss Laurence
