DESIGN AN ANDERSON SHELTER

WW2 history • Your challenge: plan a safe, useful shelter for your family.

Name: _____ **Date:** _____

1. TOP-DOWN PLAN — draw what your shelter would look like from above

Add walls, entrance, sleeping space and anything else you choose. Label your drawings.

YOUR MISSION

Imagine an air raid warning has sounded. Design the inside of an Anderson shelter.
Think carefully: what would help people stay safe, warm, comfortable and calm?

2. WHAT WILL YOU PUT INSIDE?

Draw or list the items you would take.

3. EXPLAIN YOUR CHOICES

Why are these things useful in a shelter?

HOMEWORK: LIFE IN AN ANDERSON SHELTER

WW2 history • Find out what it was really like for people during the Blitz.

Name: _____ **Due date:** _____

YOUR HOMEWORK TASK

Imagine you are a child living in Britain during the Blitz. Research or use your class learning to find out what it was like to use an Anderson shelter. Then complete the activities below.

1. FIND OUT

Write **three facts** about Anderson shelters. You could find out what they were made from, where families put them, or how they helped protect people.

_____

_____

_____

2. IMAGINE

Write a short diary entry (about 5–7 sentences) describing one night when you and your family have to shelter during an air raid. Include what you can hear, see and feel, and how you might be feeling.

_____

_____

_____

_____

CHALLENGE

Would you change anything about your shelter design after learning more?

Explain one change you would make and why.
